

Greetings Fellow Rat Lover!

I'm very excited you want to learn how to optimally care for your pet rats. You've definitely come to the right place. My website, [About Pet Rats](#), is devoted to the health and happiness of all rats.

To get started, here is your gift: [A Checklist of Essential Supplies for Your Pet Rats](#). Each product on the list has been carefully chosen for its exceptionally rat-worthy benefits. To help convince your parents to allow you to get pet rats, here's your Pet Rat Proposal Worksheet in both [Word](#) and [pdf](#) formats.

I want you to know I am **here** for YOU. Think of me as your personal rat care contact, your very own trusted resource. Any time you have a question about caring for your rats, you can email me or place a comment on my website.

Meanwhile, I'd like to ask **you** a question: Once you get your rats, will you let me know your biggest challenge or frustration when caring for your new ratties? Knowing your needs will help me serve you better.

I look forward to hearing from you and to being on your rat care team!

RATspectfully Yours,

Jasmine
